## WORK EXPERIENCE

**Junior UX Designer**  
Koios Studios, Bengaluru

December 2023  
Present

- Created end to end design for 5+ mobile application devices from ideation, design thinking, wireframing, prototyping and final UI / UX.
- Designed and optimized 6-7 sector-specific websites in both light and dark modes, balancing aesthetics with functionality to enhance user engagement and experience.
- Applied design thinking principles to solve complex user problems and develop innovative solutions for diverse platforms.
- Collaborated cross-functionally with developers, product managers, and stakeholders to deliver scalable and user-friendly digital solutions.

**Junior UX Designer**  
Freelance

March 2024  
April 2024

- Designed 5 unique applications and websites, emphasizing creative design and user engagement.
- Designed visually compelling landing pages for client websites, enhancing user experience and client satisfaction.
- Consistently met project deadlines, effectively managing time and priorities to deliver high-quality results.

**Post Production Video Editor**  
Creative Guyz, Bengaluru

October 2022  
January 2023

- Created and edited more than 25 videos of film clips to post in the social media platform.
- Enhanced visual storytelling by trimming and editing movie clips into a captivating 30-40 second reel using Adobe Premiere Pro, while also showcasing creativity by skillfully retouching photos
- Managed and coordinated 5 member cross functional team towards the promotion of the movie

**Film Making**  
Freelance, Remote

August 2022  
November 2023

- Directed an enlightening and culturally immersive documentary film that turn into the rich tradition of 'Aarbhata,' a native tiger dance, capturing the deeply-rooted faith and belief behind this sacred ritual where participants symbolically embody tigers through body painting for a dedicated two-day worship service honoring Lord Shri Krishna
- Efficiently managed the role of director, cinematographer and editor in the documentary
- Spearheaded the entire production process from the concept to final delivery.

**Product Photographer & Poster Designer**  
Freelance, Remote

September 2021  
August 2022

- Collaborated closely with the film production team to create a visually captivating poster for a short movie
- Proficiency in managing, photographing, and expertly editing a inclusive portfolio of over 25 product images, showcasing a keen eye and commitment to delivering high-quality content
- Assisted with post production processing such as retouching, blending, color grading, color correction and adjustments
- Successfully collaborated with over 5 clients for commercial shoots
