PROFILE SUMMARY

Hands-on UI/UX Designer with experience designing end-to-end digital products across 10+ industries including SaaS, travel, finance, AI, healthcare, e-commerce, bookings and more. Skilled in transforming complex ideas into intuitive, functional, and user-centric interfaces. Experienced in research, user flows, wireframes, high-fidelity UI, design systems, responsive layouts, and micro-interactions. Strong collaborator with cross-functional teams, delivering clear, scalable, and business-aligned design solutions.

WORK EXPERIENCE

UX/UI and Visual Designer

Koios Studios, Bengaluru

December 2023

Present

- Designed and delivered complete end-to-end product experiences for mobile, SaaS, and responsive web platforms across multiple industries.
- Built scalable design systems from scratch including color schemes, typography, iconography, layout grids, and reusable components for faster and consistent development.
- Created advanced micro-interactions and animated prototypes using Figma to enhance visual storytelling and product experience.

Junior UX/UI Designer

Freelance, Contract

February 2023
November 2023

- Led the UX/UI design for 5+ client projects across mobile and web, covering user research, wireframes, and high-fidelity UI.
- Collaborated directly with clients to understand business goals, define problem statements, and deliver solutions aligned with brand and user needs.

Creative Design Intern

Creative Guyz, Bengaluru

October 2022
January 2023

- Produced over 25+ professional videos and 30+ polished reels, blending with post-production to create engaging visual content.
- Improved creative quality by editing and enhancing footage for storytelling, and maintaining brand consistency.
